Linda Louise (White) Elliott

Age 59, of Parsonsburg, MD passed away after a long battle with cancer on Sunday, February 7, 2010, at Peninsula Regional Medical Center.

Born October 4, 1950 in Wilmington, Delaware, Linda grew up in Georgetown, where she graduated from high school and attended college at Del Tech for two years. She had lived in the Salisbury, MD area since 1971.

Linda had worked as administrative assistant in processing at Mountaire in Selbyville for the last 20 years. Previous work experiences included paralegal work at two law firms in the Salisbury area: Perdue, Owrutsky, and Whitehead; and, Long, Laws, Hughes, and Bahen.

Linda was a great animal lover. A passionate hobby was raising and showing "Paint" horses. She will be remembered for her great work ethic, her faithful and dedicated friendship and love of "family," her unique sense of humor, and her independent spirit. "Linda's strength (at the end) gave us strength."

Linda is survived by her son Evan Elliott of Ocean City, MD, her father Harold S. White and her brother Grier White and his family (wife Jeannine and sons Keith and Mike) of Lewes, DE, and Walter Layfield of Parsonsburg, MD and a number of other very dear friends.

In lieu of flowers, Linda's family would suggest contributions to the SPCA or any other animal help group.
