Dear Debbie,

Please find enclosed a letter from Harrington Raceway regarding Equine Influenza and Rhinopneumonitis (EVH) vaccinations. We will no longer be requiring these vaccinations per the Raceway's decision, effective at the start of the 2010 racing season. All future horse show and sale contracts will be updated to remove the requirement, found in section 7.BB.5 of older contracts. If you already have a contract for a 2010 show date, consider this requirement to be null and void, with no further changes to the rest of the contract(s). If you have any questions regarding your 2010 show contracts, please don't hesitate to ask me directly.

Thank you for continuing to choose the Delaware State Fair as the host for your horse shows, and I look forward to working with you.

Respectfully,

Rick
